#### The Nazi War Crime Trial: Part II

I, **Ben Lesser will not be silenced. And nor should you.** A fellow friend and survivor Joshua Kaufman stood in the very room 70 years later with Nazi War Crime Guard, Reinhold Hanning to testify against him a few weeks ago. Unfortunately, the German government silenced the wrong man. Joshua Kaufman left Germany without his eyewitness accounts documented.

### The Nazi War Crime Trial, Part 2

JUNE 5, 2016 / LEAVE A COMMENT / EDIT

Last March, I was asked to be an eyewitness in the historical Nazi War Crime trial in Detmold, Germany against Auschwitz Birkenau Guard, Reinhold Hanning. As one of the few survivors left, it was my obligation to make sure that this criminal is punished for the part he played in the execution of six million souls that were silenced.

Since I have been back in the United States, I have followed the trial intensely waiting for a conclusion. A verdict. Justice perhaps.

And as I sit and wait, I hear that a fellow survivor and friend, Joshua Kaufman went to testify and bear witness to this very trial. He traveled just as far to make sure justice prevailed. However, when arrived there was no room on the courtroom docket that day for his testimony. It was then I wrote this letter in disbelief that another survivor was silenced.
