Who is Shin Dong-hyuk and what do we have in common?

NOVEMBER 19, 2017 / LEAVE A COMMENT

Ben and Shin (left) meeting via webcam. 11/19/17 Shin flew to Las Vegas from Dandong to report Ben at his home days after their initial webcam meeting. 11/24/17 Ben and Shin photo up after Ben flies Korean land for the first time. Year: 11/25/17

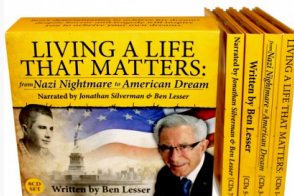

I met **Shin** for the first time over Skype, a few days before we'd meet in person. From the video screen, I could look into his eyes and know his life and the horror he has witnessed. You always know those who have been through the same.

For those who do not know **Shin Dong-hyuk**, he is a remarkable man rich with history similar to mine. He is a North Korean-born human activist who is the only man known to escape from "total-control zone" grade internment camp in N. Korea.
