

## Happy New Years!

It's hard to believe how quickly 2019 came and went.

What a remarkable year it has been for [The ZACHOR Holocaust Remembrance Foundation!](#)

- Did you know we distributed over **500,000** ZACHOR pins to date.
- We've made a lot of progress this past year with [I-SHOUT-OUT.org](#), our interactive, anti-hate campaign. We strive to fight prejudice and encourage tolerance by allowing people to speak UP and OUT for those who cannot. This online safe haven provides a space for community and respect, ensuring that visitors to the site know they are not alone. The campaign seeks to garner six million SHOUT-OUTs on our site in honor of the six million souls who were silenced because of hatred during the Holocaust.
- Tolerance education continues to expand. Our founder spoke to well-over 60,000 people (children and adults) from around the globe about bullying prevention. He is on a mission to tout the **NEVER AGAIN** message with an end result of living a hate-free tolerant world. In order to continue our mission, it is vital that our outreach continues. If you are interested in having Ben share his story of survival and prevention in 2020, please [contact us today](#).
- It was an honor to be part of the first-ever GoFundMe Heroes Celebration as keynote speaker and meet such wonderful individuals who spark change and inspire others. It truly was a life-changing experience.
- We are in the final stages of developing our new site: ZACHOR Holocaust Curriculum (ZHC). Set to launch Spring 2020. The first-ever interactive teaching tool for educators and students taught by a Survivor. The curriculum will provide factual data, videos, photographs, interactive timeline and activities.
- "*Living a Life That Matters: From Nazi Nightmare to American Dream*" is now published in French. To get your copy, [click here](#).
- And because of you....**phase one** of filming Ben's Legacy 3D Installation has become a reality. We raised funds to film his legacy through StoryFile and will be able to host on our new educational site, ZACHOR Holocaust Curriculum (ZHC). But **phase two** of Ben's Legacy is entirely **up to you**. In 2020, our hope is to raise awareness and host the collection of his recordings at various museums worldwide for all to learn from. To be part of this educational journey with us, please [click here](#).

### 2020 promises to build and expand on the work of 2019.

But...the pins, the outreach, speaking engagements, and educational programs can't continue without **YOU**. As a small organization largely funded directly from our founder, Ben Lesser, we rely on generous donations to help power ZACHOR. Our programs are critically dependent on donations. Please help us by making your end-of-year tax-deductible donation. [Pledge your gift today](#).

We wish you the happiest New Year filled with prosperity, love, good health and peace in this world.

Sincerely,

*~Ben Lesser*
